Graces

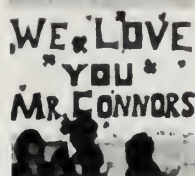

We, the Class of 1973, wish to dedicate
our book to

MR. TIMOTHY PATRICK CONNORS

You may never realize how much you have
given us . . .

Thank you for your time, your concern, and
above all, yourself.

seedlings sown

today
they are the unknown.
horizons,
vague
transcending

every sun
every naked rain
inspired
expired

sainted only in reflections
or

procurred autumn leaves.

yet,
in scouring empty hedges
have not
wishful plantings
deceived us?

forlorn,

a confident
a friend
lost

as reddened sun
early dusk
speaks another season
hidden

in upturned loam

beneath a coming snow
fortunes

abided, celebrated
destroyed
in early frost

we grow
we must
for one has cherished
a horizon.

This is the beginning of a new day. God has given me this day to use as I will. I can waste it or use it for some good purpose. But what I do with this day is important because I have exchanged a day of my life for it. When tomorrow comes, today will be gone forever. I hope I will not regret the price I paid for it.

*I shall pass through
this world but once.
If therefore, there be
any kindness I can show
—or any goodness
I can do
Let me not defer it,
nor neglect it
For I shall not pass
this way again.*

*What is the use
in worrying?*

RETRACING

*There is a silent
meaning behind
all things*

anonymous

The timelessness of childhood, its sudden friendships and short sorrows, its dreams, its laughter, its make-believe—all are delightfully illustrated in the minds of elders, that will bring back many happy memories.

Never look down to test the ground before taking your next step: only he who keeps his eye on the far horizon will find his right road.

MR. ANTHONY TORRE
PRINCIPAL

Graduation is a time of mixed emotions. There is sadness because we are saying goodbye to students, most of whom we may not see again; there is happiness because these same students are taking their proper place in society and exercising their human right to individuality.

In my heart I feel both apprehension and hope. I am apprehensive of the mountains each graduate must climb and the rivers each must ford—the mountains and rivers of living. At the same time I am hopeful that in some way I have been able to touch your lives so as to make your journey meaningful and productive.

At graduation, students and educators alike realize their close attachments and the effect of a meaningful teacher-student relationship. In the light of this realization and because I care deeply about you, I sincerely wish you success, and I pray for God's blessings upon you.

Anthony Torre
Principal

*Upon your shoulders
rest the burdens of young
hearts. We only hope that
our future will bear the
fruits of your labors.*

BOARD OF EDUCATION; Front Row (l. to r.) Mr. Bernard Gordon, Mr. Henry J. Mercik, Mr. William McWha, Mr. Charles Fowler. Back Row—Mr. Paul M. Gaylor, Mr. Robert Berger, Mr. Joseph Colletti. (missing from picture: Mr. Daniel Landry, Mrs. Vivian Garland.)

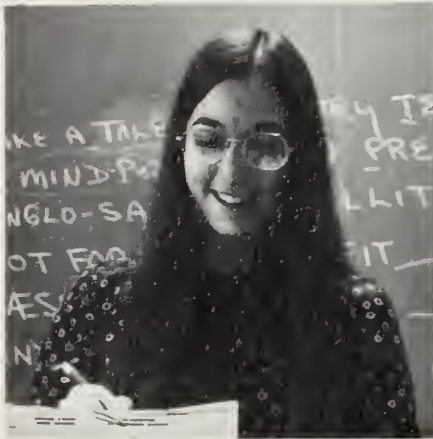

ENGLISH

The English program is designed to meet student needs and interests. Each year a quarter course in writing is required of every student; in addition, he selects three quarter courses from a large number of electives. The many available choices permit the student to prepare for his post-high school plans and also to take additional courses in any area of English which is of interest to him.

SOCIAL STUDIES

MR. GREGORY QUINLAN
"Please try to control yourself."

MR. ROBERT ROBBINS

MR. ROBERT KOZACZKA
Dept. Head

MR. PETER CREEDON

Social Studies education has a two-fold purpose: enhancement of human dignity through learning and a commitment to democratic processes as a means to that end.

The idea of human dignity means that each person should have the opportunity to know, to choose, and to act.

It is our fervent hope that our program will develop young adults who will say: "I know what's going on, I'm part of it, and I'm doing something about it."

MRS. MARY GAIL COKKINIAS
"What do you mean by 'stuff like that?'"

MR. DONALD FLEBOTTE

MR. JAMES YANKEE
"Twinkle, twinkle, little star."

MR. JAMES CHERRY
"Weight divided by molecular wght. = Moles"

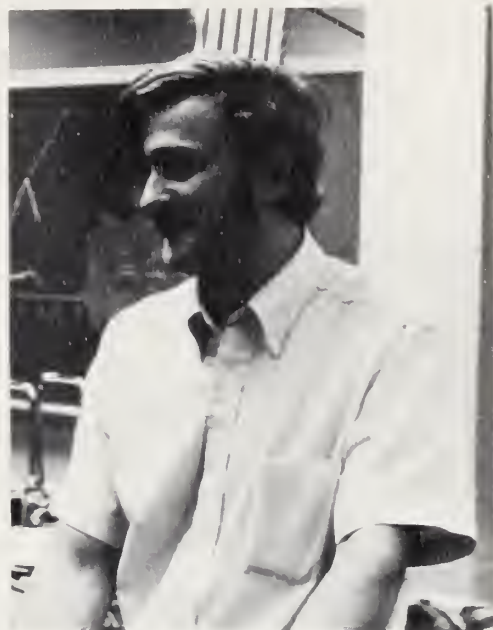

MR. BRIAN DOLLEY
"Let's put our answers into the
mole machine and see if we're in the right ballpark."

SCIENCE

Science is the great adventure of the human race. Through science, man has already learned to dominate the earth, defeat all enemies and competitors, construct muscle and brain more powerful than his own. Its exploits still continue, coming at closer and closer intervals. Each generation sees more changes, and the curve of change sweeps upward at an eversteepening pitch. Where it will take mankind cannot be foreseen—perhaps to disaster, perhaps to the stars.

MR. FRANCIS RAGO
"Far out!"

MATHEMATICS

For too many years we have felt that our main function was to enable students to fulfill their math requirements in order to enter college; therefore, the colleges have indirectly dictated our curriculum. Recently, however, we have attempted to meet the needs and expectations of the entire student body by introducing such courses as Computer Programming and Surveying. The department anticipates further diversifications as student needs expand.

MR. KENDALL OWENS
"But this is Algebra I!"

INDUSTRIAL EDUCATION

Industrial Education is an activity-oriented curriculum area concerned with problems of an industrial nature, and how to solve these problems. Specific concern is given to the development of the concepts of technical competence, social competence, consumer competence, cultural appreciation, occupational information, and leisure time pursuits.

MR. ANTHONY PESSOLANO
"I know I'm King of the Species."

The Business Education Department provides students an opportunity to develop a marketable skill in the field of Secretarial Science, Bookkeeping, Clerical Administration Distributive Occupations, or Data Processing.

Emphasis is placed on the values of social contracts, the importance of civic responsibility and the need for a well-adjusted personality. This is possible through such organizations as Distributive Education Clubs of America, The Fermi Chapter of the Future Business Leaders of America in conjunction with all Business Education classes.

FOREIGN LANGUAGE

The Foreign Language Department aims at creating a better understanding between nations by studying their language, culture, and literature. With this in mind, we have expanded our present language programs to include German and Italian courses.

Our emphasis has been an audio-visual-lingual approach, especially in EBF (Encyclopedia Britannica Films) in French and Spanish.

GUIDANCE

The counselors have tried to establish a working relationship with as many students as possible. Because a relationship is a two-way street, we are dependent upon students to take the initiative to help develop rapport between our department and the student as an individual. Hopefully, those who develop such a relationship will act as ambassadors to their peers. Come in and meet us—let's be friends.

FOOTBALL

The 1972 football season started out like a house on fire winning the first four games! With a record of 4-0, it looked as if Fermi High School was on its way to their first undefeated football season. Then the tide turned as the record ended up as 4-6 for the season.

The record is no indication of the great team we had. We are really proud of our players!! At no time did they give up!!

SOCCER 1972

An impressive fighting spirit displayed by our Fermi Falcons more than compensated for an average season of soccer. The Falcons gained experience, strength, and unity through great personal and team sacrifices. From these came both personal and team victories. However, the goal of the season was not a victory; it was a sense of personal achievement for all team members.

CHEERLEADERS

Imitating baby falcons, dancing around Miss Fonseca while her face turns red, singing Christmas songs in October, creating "new, exotic" jumps, and just acting plain crazy is the fun part of being a cheerleader. But there is another side. It is spending long hours of practicing cheers and afternoons and evenings making booster badges and posters. It is smiling and cheering when the score is 72-50 in the fourth quarter of the basketball game. And it's singing the fight song with pep and spirit after a Falcon victory or defeat.

If anyone were to ask these girls how they feel about their responsibilities the answer would be, "We're from FERMI, and no one could be PROUDER!!"

ROUGH, READY,

BASKETBALL

No one knows the effort that goes into a basketball season. Most people are aware only of the games and the number of wins and losses a team compiles. There is a great amount of time and self-sacrifice a person must be willing to give. The long practice sessions, the weekend practices, the inclement, wintry weather that has to be endured are all part of a

basketball player's daily life. If you are playing on a winning team it makes it that much easier. However, if the number of wins are minimal that can compound the misery. I admire the basketball team for meeting this challenge with amazing stamina. The most important thing in retrospect is to say to oneself "It was all worth it."

The 1972-73 varsity swimming team was a thirty-six-man team that participated in seventeen dual meets. The Fermi Falfins entered the "large" division qualifying meet for the state championships held at East Hartford High School and the "large" division State Championship meet held at Yale University's Payne Whitney gymnasium. Although this was only the second year of varsity swimming at E.F.H.S., our team represented us well.

The girls certainly proved what hard work and dedication can do as they achieved a winning season with only one loss in 9 contests while their first season did not produce a single victory.

Much of the credit for their fine record goes to the defense, led by Laurie Lumsden and Linda May, which yielded only 3 goals

to Fermi's opponents while our offense produced 17 goals. Donna Teske scored 8 goals, Sarah King 5, and Sharon Benoit added 4.

The highlight of the season was when the team avenged its only loss of the year by defeating Windsor Locks 3-0 in the last game of the season.

Senior swimmer, ERICA LARSON

The girls' swimming team, in its first season, completed an impressive twelve meet schedule which included four or five of the five top-rated schools in the state of Connecticut.

Working very hard every afternoon the young team, of primarily sophomores and juniors, improved times and performances enabling several swimmers to earn firsts in several of the meets.

The season culminated with some of the members participating in the state championships at Southern Conn. State College. Sheila Lee placed 12th in a field of 36 in the 50 yard backstroke with a time of 35.44 seconds. Pam Stasteczko and Debi Douville placed 16th and 21st, respectively, in a field of 35 diving competitors. An impressive showing for first year divers and team.

As the final buzzer sounded on February 9, the Girls' Basketball Team found themselves ending a winning season. The girls had greatly improved their 3-8 record last year. Of course, the girls greatest victory came after defeating Enfield High 35-34 in an extremely exciting game.

However, it is not the record that is of primary importance to a team which works together through many long hours of practice and difficult quarters of play. Rather,

girls who have developed a spirit of self-determination, positive attitude, and pride in individual as well as team play are the ones with the winning record. Certainly, our senior members Captain Debbie Courtemanche, Laurie Lumsden, Tabitha Ndisi, and Janet Packard possess these characteristics.

Interscholastic sports yield many records, but the greatest of these is known only to each member who has been a real part of the team.

The motto of the Lamplighters, Fermi's resident dramatic group, is "Think big, work hard, and have a dream!"

After a major season of four dramatic productions last year, the Lamplighters decided to experience another facet of theater, the musical. The search was on for a musical which had a large cast, fine music, and that would fully utilize Fermi's large stage. All of these qualities are found in their choice of Rodger's and Hammerstein's

musical classic, "Oklahoma!"

Combining the talents of both Fermi and Enfield High Schools, the Lamplighters have captured the essence and color of the Oklahoma homestead. The play promises to be a memorable experience for both cast and audience and yet another example of the spirit and dedication of the students and advisors involved.

*For yesterday is but a dream
and tomorrow is only a vision
but today well-lived makes
every yesterday a dream of happiness
and every tomorrow a vision of hope*

These five concise and very meaningful lines have provided the theme for our 1973 Yearbook, *Traces*. We have attempted to compile in one minute collection all our memorable years at Enrico Fermi High.

It is our sincere hope that all of yesterday's visions, as well as those of today, will be relived in the future as you once again retrace your steps through these pages of the past.

To the members of the staff, a simple thank-you from the two of us, for no one can possibly conceive the months of thought, work, and sheer dedication that was so unselfishly given by each of you in order to produce a work that all can be proud of.

And finally to our Advisor, Miss Nancy Koplin, who didn't lead us by the hand as some advisors do, but was always there when we needed her. You allowed us to construct the yearbook ourselves, enabling us to experience the disappointments and rewards that resulted from our efforts.

Thank you,

GIRLS' SOFTBALL 1973

The girls had a remarkably successful season as they compiled a PERFECT 12-0 record and became the first team in Fermi history to go undefeated. This feat was truly amazing in light of the fact that there were seven sophomores on the team and only one senior. Laurie Lumsden will of course be missed, but the team will remain in good shape for next year with eight of nine starters returning.

Despite some one-sided games, going undefeated was not an easy accomplishment. As the season progressed the pressure mounted and the emotional strain was added to by several very close games in which the girls had to come from behind. These games were a real test for their poise and the outcomes reflected their never-dying winning attitude.

Highlights of the season would include the 11-5 and 13-10 victories over Enfield and a 17-0 no-hit game pitched by Donna Teske against Windsor Locks in the final game of the season.

"1973" CLASS HISTORY

Come with me for a while and let's review a past of wonderful and rewarding experiences of the Class of 1973.

"73" means something new and rewarding. It was the opening of our new school, Enrico Fermi High.

Mr. Anthony Torre was appointed principal in the Spring of 1970, our freshman year.

Fermi students chose blue, black and white for the school colors and the falcon as the mascot.

However, the construction of the new school was plagued by inclement weather and labor problems and in June, 1970, it was announced that the school opening would be delayed and double sessions would be held at the Enfield High School.

During our sophomore year, the flame of knowledge was intensified. During late October forms were placed in the main office for those interested in running for class officers. The sophomore candidates for office were: President, Nalani Kupau, Norm Charest, Alan Pira, Donald Sheak, and Robert Vella. Vice President, Sue Moryto, Mona Abert and Patricia Misiewicz. Secretary, Melissa Oase, Ellen Malley, and Liz Cormier, Treasurer, Gary Freed and Phyllis Bennici. Director of Activities, Cheryl Crowley and Sheila Hughes. Class Historian, Barbara Smyth, Kathleen Karat, and Laurie Dewey. On November 9, assemblies were held for the introduction of the candidates. At the assembly a debate was held on questions concerning the philosophy of the school. On November 10, the candidates were elected in the homerooms.

To lead us in our activities for the year were: Don Sheak, President; Sue Moryto, Vice President; Melissa Oase, Secretary; Phyllis Bennici, Treasurer; Cheryl Crowley, Director of Activities. Class Historian, a position which is maintained for three years, was Laurie Dewey.

Well, we were now set. Plans had to be made for money-making projects. Boy, did we come up with some ideas. Remember the car wash which turned out quite well. It was held behind the Food Mart and it was pretty cold for washing cars. Everyone had a good time. Maybe we didn't get all the spots off the cars, but we tried.

I bet you remember that first candy sale—peanut crunch, and chocolate covered mints; now how about one of each? The sale went very well; so well in fact that it is paying for our caps and gowns.

Remember our first football team, No Senior players! This did not stop us. Instead of playing junior varsity teams, our Falcons went full force, as hard as they could against more experienced varsity teams. In spite of the odds they went out and played some good games. I'll bet you football players remember playing Putnam, Plainfield and especially McCann, the highlight of the football season.

Arousing school spirit for the great football team was Colleen Henry, a member of the varsity cheerleading squad for three years; Advised by Miss Fonseca.

We certainly can't forget our first soccer team coached by Mr. Batista or our basketball team coached by Mr. Shea and Mr. Snipe. Our first baseball team was coached by Mr. Ryzcek and Mr. Nuccio. Our track team, coached by Mr. Ross, did an excellent job which was probably due to their getting up early in the morning and training while most of us were sleeping.

We didn't have our own school yet, but the name Fermi High spread quickly in the area of athletics. We knew we were a school then.

There were many in school and after school activities such as film study program, and our school paper, *The Voice*, advised by Mr. Raymond.

Remember our small band during our sophomore year, followed by the twirling majorettes and color guard. We also had a group of girls who backed up the cheerleaders and they were known as the Pep Squad.

Teacher's Aid was another morning activity where students volunteered to help the elementary schools several mornings each week. There was a tennis club for girls and we played tennis if and when the courts were free.

Literay Magazine was an exciting after school activity where collections of selected short stories, essays, poems, and narratives and other forms of contemporary literature were compiled and sold in the form of a little booklet. The advisor of this activity was Miss Mackley.

For some lucky students there was a trip during the spring vacation, to London, England. Many places of historical interest were visited.

We'll never forget our Yearbook Staff advised by Miss Koplin.

Remember the production, "South Pacific", which the Lamplighters presented—it was a great success!

Yes, our Sophomore year went by quickly and we found that our class account contained \$1,050 a little peanut brittle.

Our Junior year arrived and we finally were to enter our "real home," Enrico Fermi High School.

Chosen Class Officers this year were President, Don Sheak; Vice President, Phyllis Bennici; Secretary Pat Nowell; Treasurer, Theresa Piranian; Director of Activities, Cheryl Crowley.

We began making money quickly by selling Nestle's Candy Bars. We were great at that. We ate so much candy there was no room for lunch.

We were great that year in sports too—the teams were bigger and better. Girls' sports and a swim team were added to the sports program.

Our band now consisted of thirty members and they did a fantastic job during half time shows and concerts.

Our Junior Prom, "Let's Stay Together," was a night to remember. It was held at Chez Josef on May 5. Host and Hostess Dan Hayden and Laurie Dewey greeted each couple and led the grand march.

That year the Lamplighters presented the "Glass Menagerie", "A Man Called Paine", and "An Evening With The Masters".

We can't forget Dedication Day for our new school. There were ceremonies and a parade.

Other activities also going on included The Ski Club and Powder Puff Football, in which the sophomores and juniors played flag football against the seniors and killed them. The low point was the loss to the Enfield High Powder Puff Team.

For the academically talented student we had our National Honor Society. For the sports-minded girl, there was the Girls' Athletic Association which raised money for scholarships and for special projects. That's where you got your school pennants! F.B.L.A. was another important school club centering around activities in the business field.

Our last project of the year was the Senior Farewell Prom under the leadership of Miss Russo. We made "Never Can Say Goodbye" a truly memorable evening for the Class of '72". Host and Hostess for the evening were Dan Hayden and Laurie Dewey. Crowned King and Queen were Wayne Gowdy and Roxanne May.

As all things must, our junior year came to an end. All in all, it was a very good year.

During the summer we sent Daniel Hayden and Donald Sheak to Nutmeg Boys' State at the University of Connecticut while Laurie Dewey represented us at Laurel Girls' State.

Do you remember receiving your appointment card in the mail for senior class pictures? Yes, time was getting short—just one more year of school!

We entered our Senior year with the enlightenment of experience.

Again class elections were held. Terry O'Toole was elected President; Dan Hayden, Vice President; Sue Surprise served as secretary until she moved in November at which time Patricia Nowell took over the responsibilities; Phyllis Bennici, treasurer; Sue McGrath, Director of Activities.

By now, the players on the football field were very familiar to us. Seniors included: Co-captains, Darrell Elliott, Bill Cormier, Sean McKeown, and Ken Bourque. Other Seniors were Brad Brodman, Bill Classen, Jim Fuller, Dan Gallo, Dan Hayden, Steve Horstmeyer, Mark Leone, Armand Ruby III, Ron Shelton, Carl Violette, Tom Wells, Paul Blier and Gerry Muska were team managers.

Cheering them on from the sidelines were senior cheerleaders Colleen Henry, Fran Malinoski, and Beth Santanella.

We had a great swim team this past year—Falcons had a winning season 13-4. Seniors included: Jim Fuller, Dan Hayden, Mike Martin, Mike Halgas, Steve Crouse, and Don Sheak, Captain.

On the basketball court were Senior Captains Sean McKeown and Ken Bourque, also Armand Ruby III, Mike Kennedy, Carl Violette, Gary Zera, Rich Grasse, Larry Figella, Mark Scavotto.

Senior girls on the basketball team were Captain Debbie Courtemanche, Laurie Lumsden, Tabitha Ndisi, Janet Packard, and Carolyn Mayo.

Our Senior winter prom, "Memories Are Made of This," was held at the Elmcree Country Club. Host and Hostess Jim Fuller and Fran Malinoski welcomed each couple.

The Drama Club had already begun rehearsing their performance of "Oklahoma," Rodgers and Hammerstein's American Musical. Senior members included: Bill Donelan, Armand Ruby III, Bill Sweet, Celeste Gould, Pat Misiewicz, David Stock, Beth Santanella, Cindy Labutis, Nora Joyce, and Clark Howell.

Covering the bases for Fermi during the baseball season were Captains Ken Bourque and Sean McKeown, Bill Classen, Larry Figella, Bob Graczevski, Steve Hendrickson, Tom Quail, Armand Ruby III, Tom Wells and Gary Zera.

The softball team had an undefeated season assisted by senior Laurie Lumsden, first baseman.

Track and Field, coached by Mr. Lengyel ended their season with 7 wins, 3 losses. Seniors included: Captains, Dan Hayden and Mark Leone, also Ed Daly, Darrell Elliott, Gary Freed, Steve Horstmeyer, Rich Kurek, Bob Pancavage, Eugene Shultz, and Carl Violette.

We paid tribute to Mr. Connors as we dedicated the Yearbook to him. As you remember, the first week of November brought news that Mr. Connors, Vice-Principal, would leave Fermi to accept a position as principal in Bellingham, Massachusetts.

Realizing how much his guidance, advice and friendliness would be missed, several students organized an assembly to express our appreciation for all that he had done during our three years at Fermi. A few months passed, and Mr. Cerrato entered the building as our new Vice Principal, which made Mr. Kisiel very happy.

"Traces", our Yearbook, is in many ways the most impressive and exciting school publication. Behind the scenes in room A326 the staff works long and hard to record all our activities permanently.

Money-making ideas were brought up again during class meetings of officers. We'll never forget selling magazine subscriptions.

Then, before we knew it, we were planning for the Class Trip to Washington, Pennsylvania, Williamsburg; that was an exciting week with Uncle Tony and Uncle Rev.

Our most successful class project was the senior variety show, "What A Way To Go". Opening the show were M.C.'s Tony Rarus and Kerrie Rudolph. Highlighting the show were Armand Ruby and Bill Donelan, Ron Shelton, Judy Maggio, Laurie Dewey, Steve Horstmeyer and Bob Vella in his bikini. But, we won't ever forget the constipated caterpillar and the twelve years of school, Some Dew, Yoga Class, Jackson 5, and the coed football skits. We give our special thanks to Miss Koplin and Mary Davis.

Before we knew it, the time was drawing near. Valedictorian Patricia A. Misiewicz and Salutatorian Armand Ruby III were selected according to scholastic grades.

The Third Annual Sports Banquet was sponsored by the Fermi Boosters Club.

And now we're here!—Class Night

Remember Homecoming Day, Saturday, November 11? Ceremonies began at eleven thirty with a parade from Hazardville Center to the school. Students, alumni, faculty, administration and town officials were present. The football game was against New Britain's Pulaski High School. That night there was a Homecoming Dance with Image as entertainment.

Our football team was now sporting a 4-5 record. Then came that Big Day—Thanksgiving. The football game against Enfield on the cross town rival's home field. I think I forgot the score. No, I do remember that we let them win with a score of 0-23.

The soccer team did a terrific job this year and seniors included: Co-captains, Ray Aleskwicz and Jack Carey, Larry Figella, Mark O'Connell, Thomas Quail, John Sheehan, Peter Anderson and Robert Richardson.

We can't ignore girls' sports. Their record was equal to or even a little better than the boys' record. Our girls' field hockey team did a tremendous job with seven wins, one loss, and one tie. Senior Co-captain was Laurie Lumsden, also Debbie Courtemanche, Eileen Pieper, Carolyn Mayo, Barbara Noonan, Janet Packard, Sue Giguere, and Tina DiFranco. The girls' swim team in its first season did very well also. Congratulations and good luck to our Senior Erica Larson.

Majorettes, Color Guard and Band performed in an outstanding fashion this year in parades, home concerts and exchange concerts. Senior majorettes include: Captain Laurie Dewey, Sue McGrath; Color Guard, Debbie Gallo; Band President Bill Sweet, Treasurer, Bob Ottman, also Vicky Bond, Al Bouchard, Tom Buchanan, Tom Coughlin, Clark Howell, Nalani Kapau, Mike Locklear, April Percoski, Tom Piorek, Armand Ruby III, Dave Stelmat and David Stock.

Our Farewell Prom is Saturday June 16th and Graduation takes place June 20th. Well, Seniors, we're packing up three years of knowledge and memories and setting out to encounter new experiences and opportunities. It's going to be really hard to leave Fermi; We'll never see many of our friends again in the years ahead and the wonderful experiences that happen only in high school are forever behind us. Yes . . .

Graduation is near for the Class Class of "73". About 370 seniors will have treasured memories when that last day arrives. They will never return as students to the place where they have spent time and energy that has placed them in the graduation class of 1973.

We couldn't do it without a superb class, a great faculty and a top administration. The year 1973 will be long remembered by Enrico Fermi High School.

Well, here it is, the end, and yet this is when and where it all begins.

Thank you.

Laurie Dewey, Class Historian
"1973"

"We, the class of 1973, wish to dedicate our book to Mr. Timothy Patrick Connors."

"My mother made me say it!"

Special thanks were given to Tabitha.

Steve Horstmeyer was presented with a new zipper to play with.

While Brad Brodman received a key to the girls' room.

Good catch, Laurie.

And to our "Jewish American Princess", we gave Joe Namath.

Dan Hayden was acknowledged as the class' 'Best Breaststroker' with a rate of . . . per minute.

Our special appreciation was shown to Mr. Kisiel and Mr. Cerrato by our gifts of silver mugs.

*Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories,
They're all that's left you.

A night we'll remember.

"Mother never told me
it would be like this."

"You sure you wanna' go
through with this?"

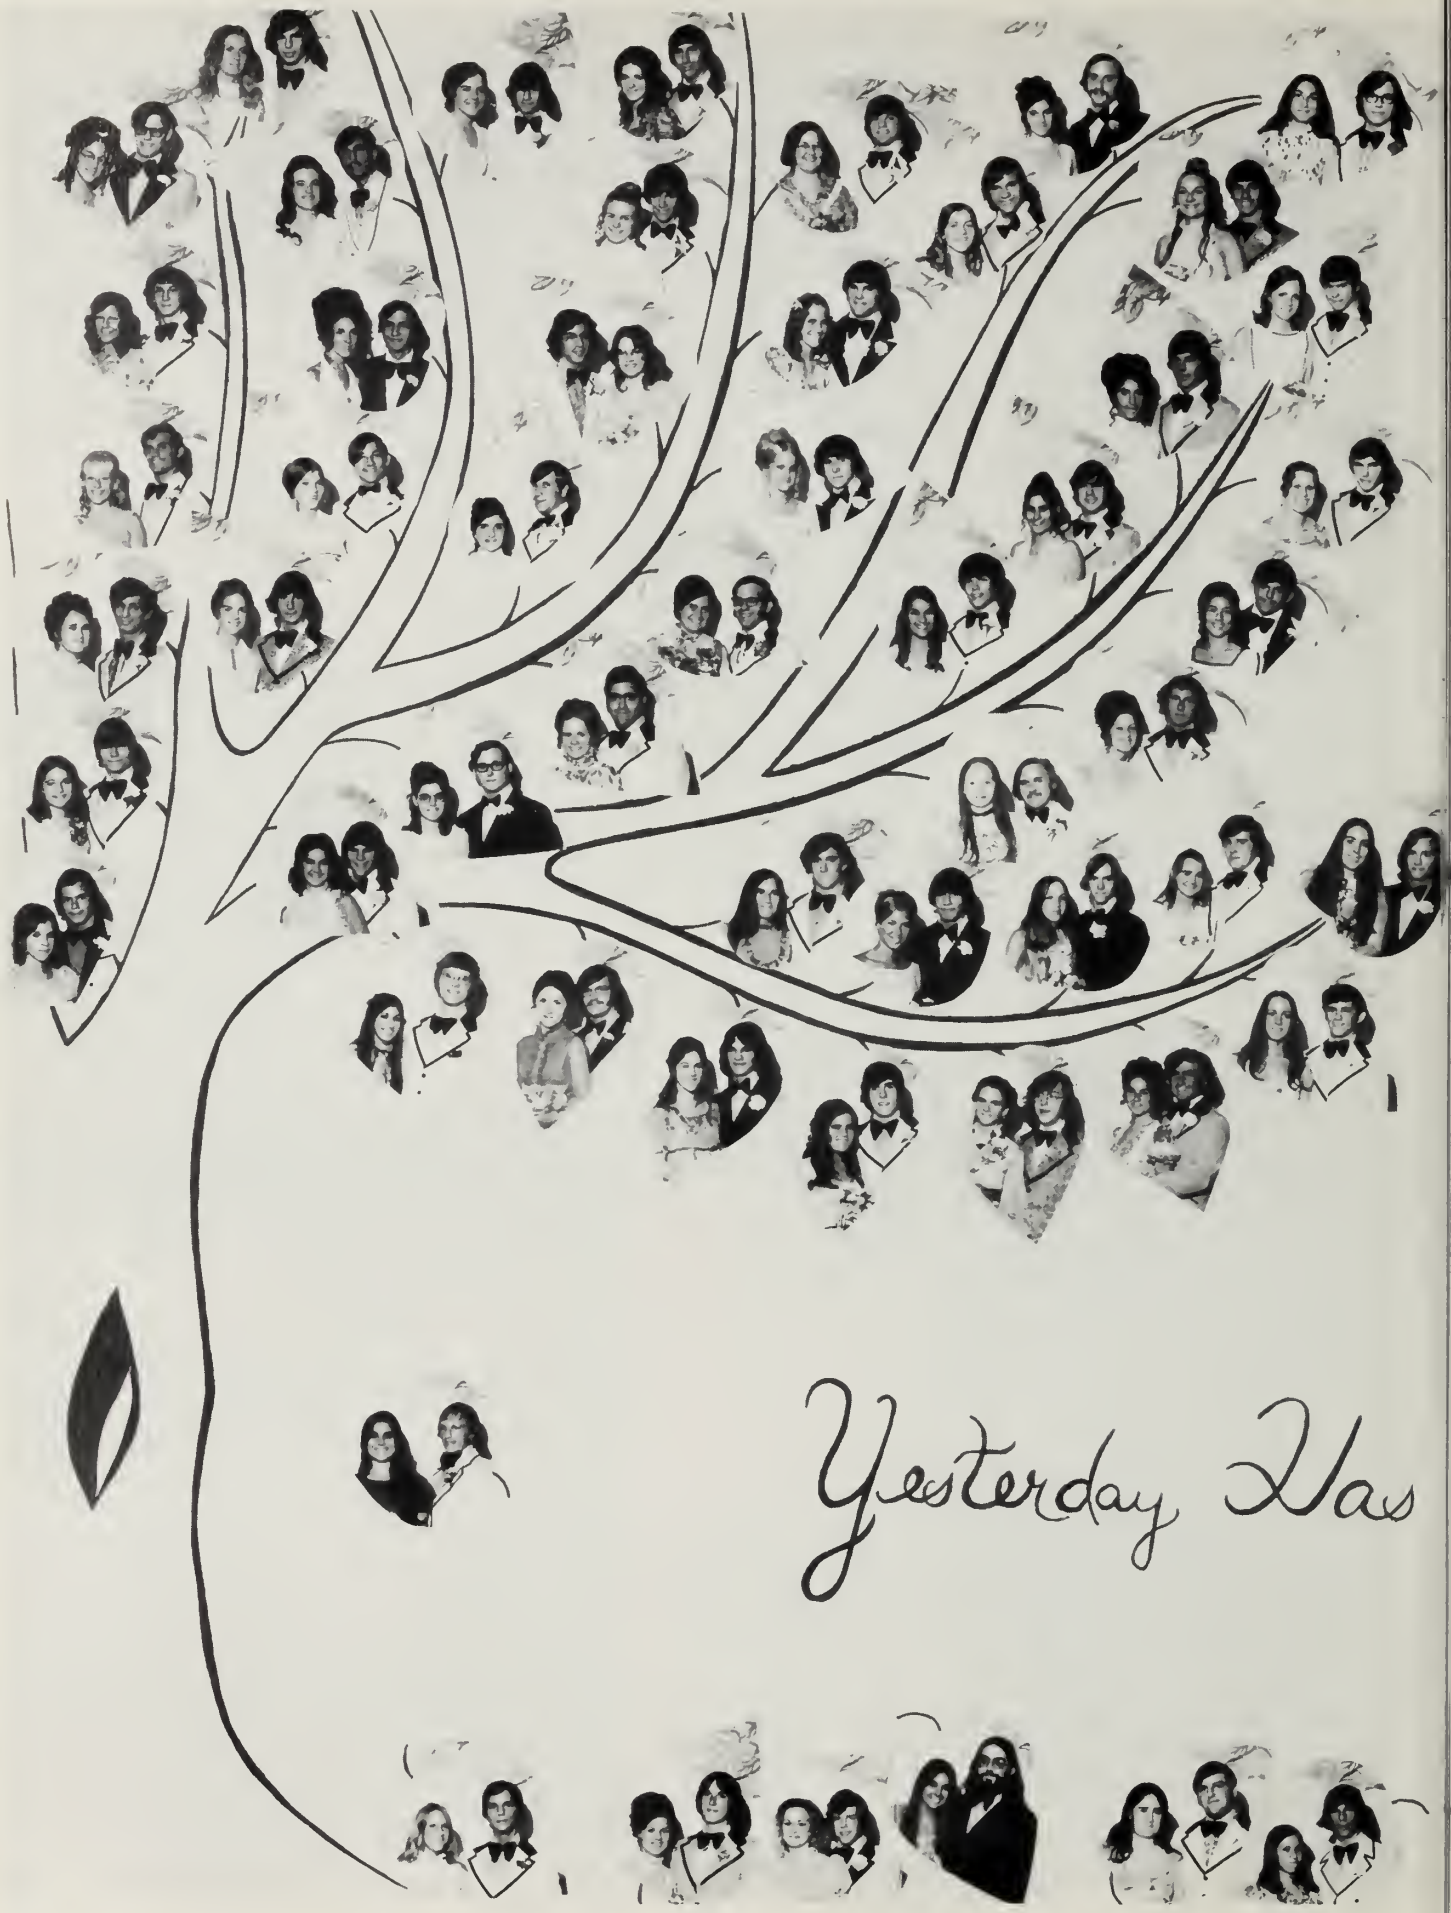

"If they play one more waltz we are leaving!"

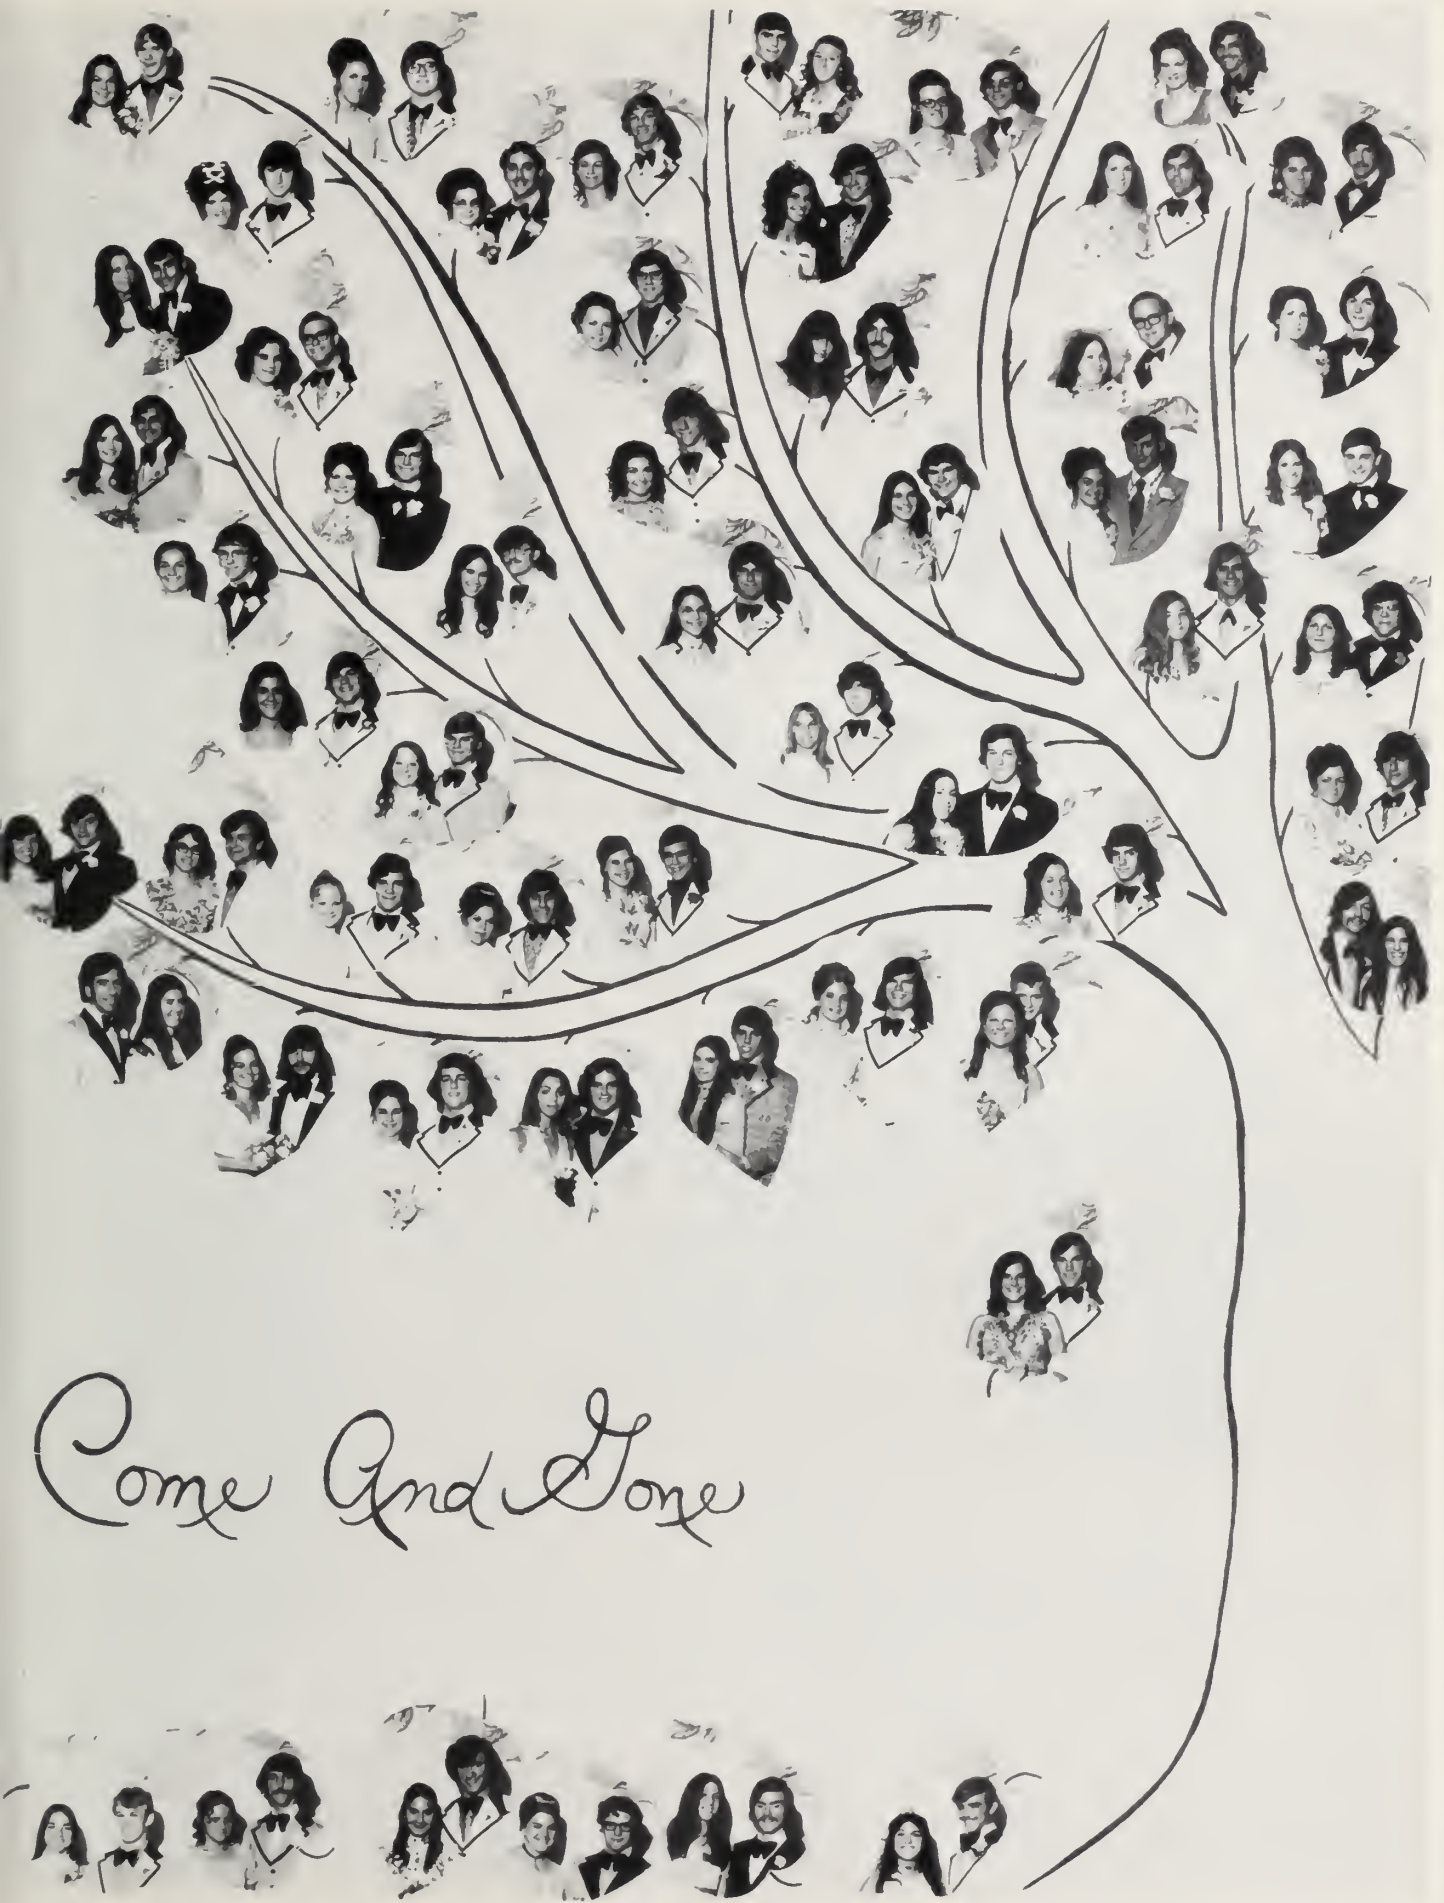

All agreed the choice for King and Queen was a good one.

GRADUATION

June 20, 1973

... The butterfly, that beautiful symbol of freedom, can break from its own cocoon and fly to any corner of the world without considering anything but its own survival. It needn't be concerned with busing, the arms race, abortion, or any other issues. As individuals, we can choose not to be concerned with these major issues and ignore the responsibilities connected with the freedoms we enjoy, but wouldn't we in effect be reversing the butterfly's metamorphosis and weaving our own little cocoon?

Will our individual freedoms as parents, teachers, administrators, and graduates be that of the butterfly's cocoon or of flight into awareness of responsibility?
—Excerpt from the Valedictory Address of Patricia Misiewicz

Salutorian Armand Ruby
receives his diploma

This is how we said good bye

A story on each face

High honor graduates

"I'll meet you in the parking lot!"

Pomp and circumstance

And bringing up the rear . . .

We've only just begun

Dr. Louis Mager, superintendent of Enfield schools thoroughly enjoyed graduation

"Help! My cap won't stay on!"

We will remember our days at Fermi High

Terry O'Toole presents the class gift

Our friendships we will hold

High honor student Seth Seidel receives his diploma from Mr. McWha

"Congratulations!"

Ours was a class of many talents

Contemplating new horizons

"Gee Lynn, suddenly I'm all choked up!"

Looking to the future . . .

Now that they're gone . . .

I am not afraid of tomorrow for I have seen yesterday and I love today

"You got the stuff? That's great!"

Happiness, yet reluctance, too

The culmination of 12 hard years

MOISTEN GLUE AND STICK IN BOOK — LET BOOK SET FOR ONE HOUR
BE SURE GLUE IS MOISTENED EVENLY

*As we set forth our paths,
Through all our coming years
Remembering the past
The laughter and the tears
Looking to the future
And to the years gone by
Then we will remember
Our days at Fermi High*

*Although we may be varied
In our abilities and goals
When memories are long buried
Our friendships we will hold
Reaching out to others
To help us find our way
We will be inspired by all
Our dreams of yesterday*

COACH GENE RYCZEK

Just when you have a team where you want it, graduation wipes it out. I was very proud to coach this 1973 Falcon baseball team, and I'm not saying this because the team had a winning season. A good team plays and wins, a better team plays together and wins, but the best team plays together on the field and are teammates off the field. The 1973 Falcons were the "best" team Enfield has seen in a long time. Best of Luck to my graduating seniors and may you win every game 4-3 in extra innings.
